Information Sheet THE MEDICAL MUSICAL GROUP (MMG)

MMG AT NATIONAL SHRINE, WASHINGTON, DC, NOV. 2011

Award-winning **MMG** is the world's premier medical chorale and symphony orchestra (see <http://www.doctorshobbies.com/OrchestraDocs.htm>, scroll down to USA). Members are "healers" – doctors, nurses and others from medical centers and schools all over the USA. MMG's mission is to perform "**Music with a Message**" – of healing, hope, inspiration, patriotism, and peace at home; and peace and international friendship overseas. Also, concerts highlight health causes. Our founder,

"Medical Maestro" **Victor Wahby, MD**, is a Senior VA Physician and a Fellow of the American College of Physicians, who wrote the award-winning "**Veterans Hymn**". We are a **501(c)(3) Nonprofit** organizationally independent of

government or any other agencies. Our distinctive format of music and readings is popular with live and TV audiences. We served as goodwill ambassadors for America in over 20 nations. Our programs are broadcast on various Networks, most recently on CNBC for Memorial Day 2011 and FOX Business Network for Independence Day 2011. **More information is at www.medicalmusical.org.** The following newsclips artfully encapsulate our "**Healing for the Nations**" concert series:
